## **Compliment and Complaint Form**

An effective feedback, compliment and complaint handling system addresses the principles of visibility and accessibility, responsiveness, assessment and investigation, feedback, improvement focused and service excellence.

The compliment and complaint form template is a tool to facilitate feedback being heard clearly and effectively managed by recording key information at the time of first contact.

CCM takes complaints and concerns very seriously. We welcome honest communication with our clients, so we can improve our services for everyone. All complaints and concerns that fail to be resolved within programs will go to Peiying Ou, Quality Assurance Manager, for investigation.

A listing of support available from the Department of Health and Human Services, the Department of Education and Training and other organizations in the form of training, advice and resources for receiving and managing compliments and complaints is provided.
